COMPANY PROFILE

Foshan Xinliheng Stainless Steel has pipe factories, plate factories and product factories under its umbrella. Integrating design, production, processing and sales, it has developed into an enterprise providing one-stop services for customers.

Product Processing Technology: Specialized in processing stainless steel screens, wine cabinets, antique display shelves, sculptures, custom-shaped products, etc.; undertaking the processing of irregular parts by laser, cutting, folding and planing; providing vacuum plating in various colors (including black titanium plating, copper plating, nano copper imitation plating) and etching services.

Sheet Processing Technology: High-end customization of various processes and textures for plates, including titanium removal, wood grain transfer printing, embossing, as well as surface textures like sandblasting, random grain, satin grain and cross grain.

Pipe Processing Technology: 201 and 304 stainless steel pipes, vacuum plating in various colors, stamping of irregular shapes, wire drawing, European-style embossing, etc.

HONORS WITNESS

Strength and hard work forge glory and brilliance. Honors represent an enterprise's exploration and development in professional fields, and at the same time, they stand for the society's recognition of the enterprise. During the course of development, we transform every honor into motivation for further progress. Through constant innovation, we make unremitting efforts for the society and people's lives, and we will create greater glory and more honors!

01 TO KEEP PROMISE

It is the unchanged faith of Xinliheng people to keep prudent thinking and action and to keep promise. And it is the principle and foundation of behavior to have a good heart and sincerity, to extend knowledge and investigate things.

02 STRIVING FOR MUTUAL BENEFIT

It is the experience of Xinliheng in more than 10 years to respect customers, to rely on people and to seek mutual benefit. In the future, we will continue to join hands with you for mutual brilliance.

03 LASTING QUALITY

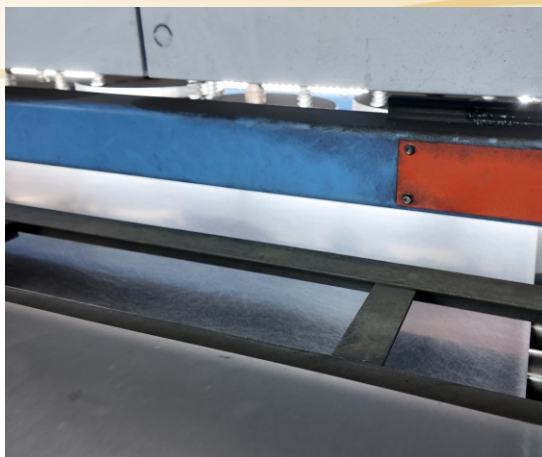

The lasting building materials surpassing the times of quality Xinliheng Stainless has been attracting attention of the market with superior quality. Constant growth of sales has achieved the "Quality leader in stainless steel".

STAINLESS STEEL PLATE FACTORY

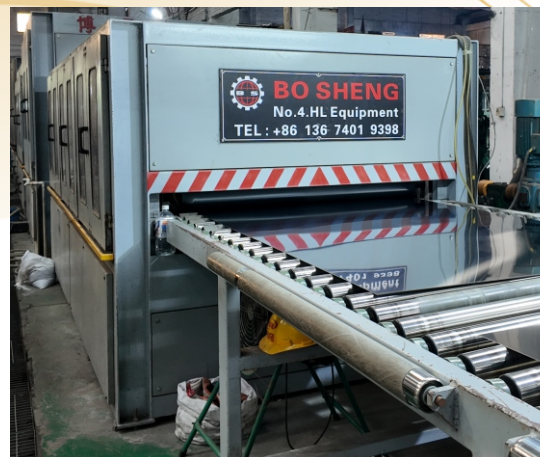

Source Factory

- PVD stainless steel sheet
- copper plated sheet

Chaotic Pattern
Brushed Finish

- embossed stainless steel sheet
- nano painting stainless steel sheet

Brushed Finish

- Direct Supply from the Source
- Fast Delivery

Stainless Steel
Film Coating

- Quality Assurance
- Technical Service

STAINLESS STEEL PIPE FACTORY

Numerically-controlled production and cutting

- Source Factory, Transparent Pricing

- Full Category Coverage

Advanced dust-free production environment

- Welded Stainless Steel Pipe

- Seamless Stainless Steel Pipe

Dust-free polishing workshop

- stainless steel pipe fittings

- colorful stainless steel pipes

Strict inspection and testing procedure

- stainless steel pipe technical parameter table

- stainless steel square tube

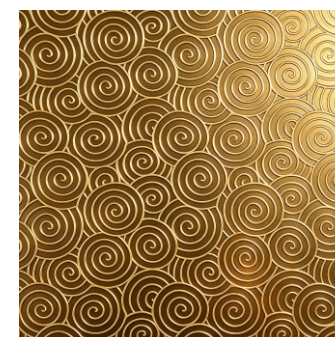

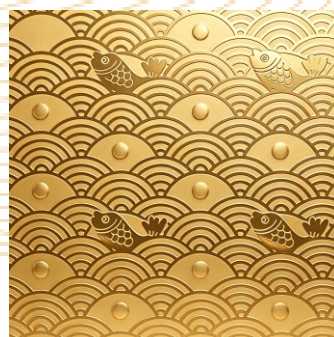

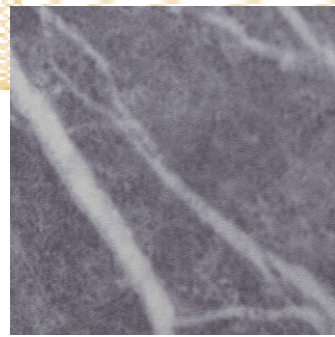

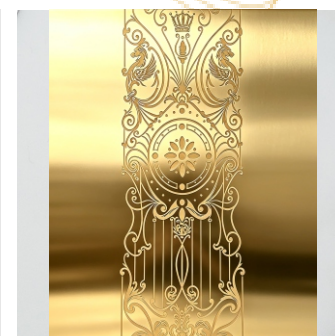

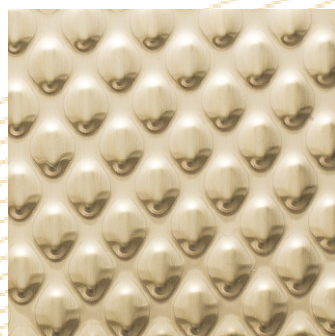

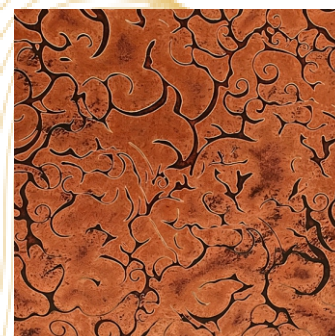

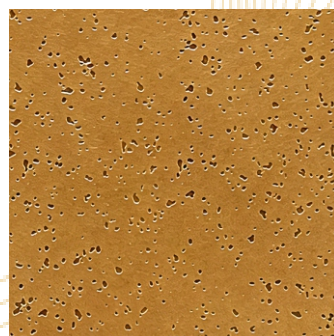

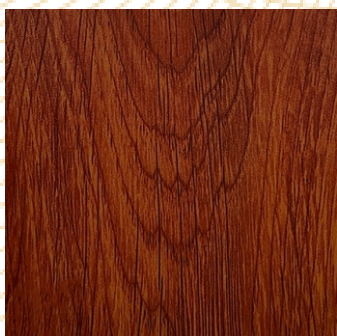

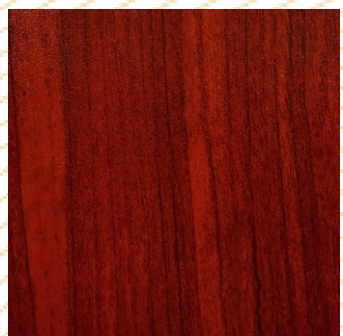

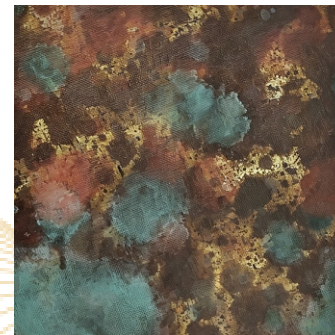

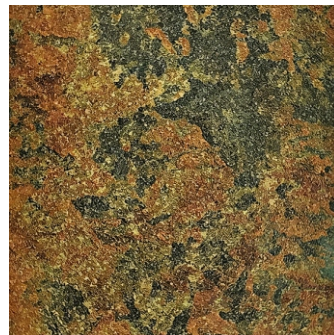

Stainless Steel Warehouse

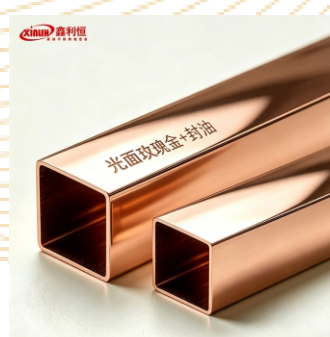

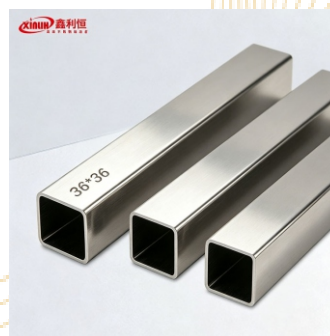

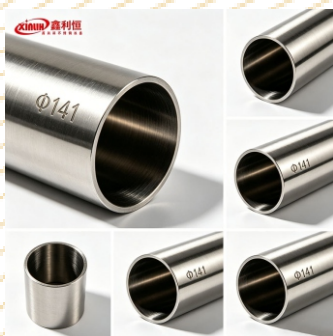

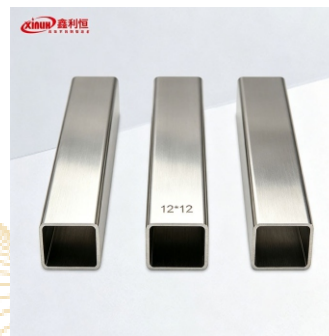

**XINLIH STAINLESSS STEEL
FINISHED STOCK**
